

# Patient Education Publications

This sheet provides easy access for patients, families, and healthcare professionals to booklets from the National Cancer Institute.

You can access these booklets on your computer, phone, or other mobile device by:

- **typing in the website address**, or
- **scanning the QR code** using your phone. You may need to download a QR code reader app to your phone. Once you have this app, simply point your phone at the QR code below and it will take you to a specific booklet. Feel free to ask a librarian or patient educator for help.

Once you are on the booklet website, you can choose to view an eBook version, and print or view the PDF. These publications are also listed on NCI's **Patient Education Publications** page: [www.cancer.gov/publications/patient-education](http://www.cancer.gov/publications/patient-education). For questions or to get print files, please e-mail: [ncipoetinfo@mail.nih.gov](mailto:ncipoetinfo@mail.nih.gov).
